Biosecurity Protocols / Statement of Health

AIR Show Jumping is dedicated to the health, welfare, and safety of all exhibitors both equine and human. **As of the publication of this book, a signed copy of this form, with all the correct horses listed, is the only requirement when you check-in.** Please check www.horseshowsonline.com if there are any changes, or if further health requirements are needed for check-in. **Per Massachusetts state law a Health Certificate is only required for horses traveling from out of state.** You should be prepared to show the following documents, if requested by horse show officials.

1. **A current (within 12 months) negative Coggins test is required.**
2. **Proof of Vaccinations with recent booster being within 180 days**

Refer to USEF GR-845 Equine Vaccination Rule for more information[CHAPTER 8F Welfare of the Horse]

All horses, showing or non-showing, must be listed below, Numbers will not be issued with out a signed statement of health for the following horses. : Date of Arrival _____/_____/_____

Horse Name (Use Show Name)	Owner Name (Listed on Entry)	Showing / Non-Showing

Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to Show Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises. Please take the time to review equine good hygiene practices. Please convey the importance of this to your equine caretakers for their daily routines.
